ASSISTANT SECRETARY OF DEFENSE
WASHINGTON, D. C. 20301

JUN 4 1965

Honorable William F. Raborn, Director
Central Intelligence Agency
Washington, D. C.

Dear Mr. Raborn:

In accordance with the Presidential memorandum to the heads of departments and agencies dated 25 February 1965 and Bureau of the Budget Circular A-63 dated 2 March 1964, Management of Inter-agency Committees, the Department of Defense has reviewed all committees which DoD chairs and which are participated in by representatives of the Department of Defense.

Reporting requirements levied on this department by the Bureau of the Budget did not allow sufficient time to coordinate with your department prior to presenting recommendations to the BoB. However, in order to keep you apprised of committees chaired or participated in by your department on which changes have been recommended by DoD, I am attaching an extract of the portion of our report to the Bureau of the Budget which will be of interest to you.

I am initiating an additional review of the DoD participation in more than 300 interagency committees which DoD activities do not chair but for which continued participation by DoD has been recommended. This review should be accomplished within the next 90 to 120 days and I will communicate with you pertaining to any recommendations resulting from this review.

Mr. Charles V. Brewer, Director, Administrative Management Division of my office, is serving as the Department of Defense Committee Management Officer. He is located in Room 3B322 of the Pentagon Building, and his telephone number is Code 11, Extension 73111. Any questions that may arise concerning this matter may be referred directly to him.
